

Indoor High Power Mobile Signal Booster 900 1800 2100mhz 2g 3g 4g Compact Design 3.0kg

Our Product Introduction

for more products please visit us on signals-booster.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: JIAYI
- Model Number: JY811
- Price: \$458.00/pieces 1-9 pieces
- Packaging Details: Normal packing
- Supply Ability: 1000 Piece/Pieces per Week

Product Specification

- Type: 4G Signal Booster
- Product Name: Mobile Signal Booster
- Gain: 60±3DB
- Power: +23dBm/±3DBM Total Power
- Impedance: 50Ω
- Seclusion: <70dB
- Connector Type: N-F
- Compact Design: Indoor Use
- Operating Temperature: -10 -60
- Weight: 3.0kg
- Frequency: 900/1800/2100
- Port: Shenzhen
- Highlight: **mobile signal booster 900, 900 mobile network signal booster, 1800 mobile signal booster**

Product Description

Cell phone signal booster for home indoor gps repeater

To choose from, we have single frequency dual frequency triband frequency quad frequency five frequency device , high power high

gain device, with AGC ALG device...

Single band frequency

900,1800,2100,FDD2600,850,800,700,1900,1700,TDD2600,TDD2300 ,TDD1900

Dual band frequency

900/1800,900/2100 1800/2600,850/1900,800/1800,850/1700,1800/2100,900/2300,1800/2300,1700/2100

Triband frequency

900/1800/2100,850/1800/2100,900/1800/2600,900/2100/2600,1800/2100/2600

Quad band frequency

850/900/1800/2100,900/1800/2100/2600,700(B28)/900/1800/2100.

Five band frequency

850/900/1800/2100/2600,800/850/900/1800/2100,850/900/1800/1900/2100,800/700/900/1800/2100,900/1800/2100/2300/850.

Product Description

Covering a wide range

CAN COVER A LARGE AREA, UP TO 800 SQUARE METERS

Product detail

Specification

Power	$\geq 27\text{dBm}$
Gain	$60\pm 3\text{DB}$
Max Output Power	$+23\text{dBm}/\pm 3\text{DBM}$ Total power
Impedance	50Ω
Seclusion	$< 70\text{dB}$
Connector Type	N-F
Compact Design	Indoor Use
Operating Temperature	$-10 - 60$
Power Supply	AC 110/220V DC12V/2A
Coverage Area	1000m^2
Dimension	$29\text{cm} \times 19\text{cm} \times 5\text{cm}$
Package size	$34\text{cm} \times 27\text{cm} \times 18\text{cm}$
Package weight	3.0kg

Company Profile

ABOUT JIA YI

Shenzhen Jiayi Communication Technology Co., LTD. Has been in the communication industry for 20 years. We have a strong design and development of signal amplifier technology, the production of signal amplifier manufacturing capacity. Can solve Europe and the United States. Asia, the Middle East and other regions poor mobile signal problem, with strong technology, quality products, service customers around the world, to solve the problem of numerous customers mobile phone no network

The company has many years of experience in the production of laser equipment, adhering to the high-quality, stable and reliable work policy, to provide users with cost-effective laser equipment. With years of accumulated experience in laser processing technology, laser equipment production and after-sales service, a team of high-quality and high-efficiency has been formed to provide users with complete products and after-sales service. We welcome customers to inquire and make samples. Guangdong Jiayi will provide you with laser proofing, after-sales service and laser technical support at any time with high-quality service, professional technology and precise quality.
