

## TDD2600 Mhz Phone Antenna Signal Booster 5000sqm Network Range Extender

Our Product Introduction

for more products please visit us on [signals-booster.com](http://signals-booster.com)

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: GREEMBLT
- Model Number: JY811
- Price: \$142.90/sets 1-9 sets
- Packaging Details: Normal packing

### Product Specification

- Type: 4G Signal Booster
- Network: 4g, GSM, 3G
- Product Name: Mobile Signal Booster
- Frequency: 900 1800 TDD2600
- Function: Signal Extender
- Output Power: 27-30dBm
- Gain: 75-80dB
- Coverage: 5000sqm
- Application: Office
- Weight: 6.5KG
- Size: 285\*260\*58mm
- Warranty: 2 Years
- Highlight: 5000sqm network range extender, phone antenna signal booster 5000sqm, tdd2600 mhz phone antenna signal booster

## Product Description

Signal Booster for Phones Antenna Network Coverage Extender 900 1800 TDD2600 mhz 6.5KG

**Network Coverage Extender 900 1800 TDD2600 mhz Signal Amplifier for Phones Antenna Signal Booster**

**Stronger Signals, Smoother Communication**

### FAQ :

Q1: What countries is this mobile signal amplifier suitable for?

A: Our mobile signal amplifier is compatible with usage in various countries and regions worldwide. Regardless of your location, you can enjoy enhanced signal coverage.

Q2: Does installing this signal amplifier require professional skills?

A: No professional skills are necessary. We provide a detailed installation guide with simple and clear steps. If you encounter any issues, our customer service team is always ready to assist you.

Q3: Does this amplifier support 4G/LTE signals?

A: Yes, our mobile signal amplifier supports not only 2G and 3G signals but also 4G/LTE networks, ensuring improved signal quality in various network environments.

Q4: Can it be used for multiple phones simultaneously?

A: Yes, our signal amplifier can simultaneously support multiple phones, tablets, and other devices, providing stronger signals, whether you're at home or in the office.

Q5: Will the signal improvement be immediately noticeable after installing the amplifier?

A: Yes, once the amplifier is installed and set up according to the guide, you should experience an immediate enhancement in signal quality. However, ensure you install the amplifier in an appropriate location for optimal results.

Q6: Are additional accessories needed to complete the installation?

A: We provide a complete set of installation accessories, so you typically don't need to purchase additional items. Everything is included in our package to ensure a smooth installation process.

Q7: Is this amplifier legal?

A: Our mobile signal amplifier complies with international telecommunications standards and is legal for use in various countries. However, please note that you might need specific licenses or approvals in certain regions.

Q8: Can this amplifier be used in vehicles?

A: Yes, our mobile signal amplifier is suitable for use inside vehicles. It can enhance your signal while traveling, ensuring better connectivity on your journeys.

Q9: How are post-sales issues or warranties handled?

A: We offer a limited product warranty period, and if you encounter any problems during usage, feel free to contact our customer service team. We are dedicated to resolving any post-sales issues you may have.

Q10: Is this mobile signal amplifier suitable for large commercial spaces?

A: Yes, our signal amplifier is suitable not only for homes and small offices but also for large commercial spaces such as hotels, conference centers, and warehouses. We have different amplifier models to meet various signal range requirements.

Welcome to Shenzhen Jiayi Technology Co., LTD., the driving force behind GREEMBLT brand –a beacon of professional elegance and technological brilliance in the realm of mobile phone signal amplification. In an era where connectivity reigns supreme, GREEMBLT stands as a testament to technological innovation. Our mobile phone signal amplifiers transcend boundaries, revolutionizing communication and seamlessly connecting users with their world.

Our team comprises seasoned experts from the communications industry, dedicated to providing impeccable connectivity solutions. GREEMBLT's prominence is anchored in its sleek design and exceptional performance, making it the ultimate ally for enhancing your

signal quality. In a landscape inundated with information, our purpose is to pave a path to cutting-edge connectivity. Whether you're near or far, GREEMBLT ensures your communication remains steadfast between the signals' ebb and flow. Step into the world of GREEMBLT, where innovation marries sophistication. Experience communication like never before - welcome to

the realm of GREEMBLT.
